A HOME TOWN PAPER FOR HOME TOWN PEOPLE

VOL. XXVIII

SOUTH SAN FRANCISCO, SAN MATEO COUNTY, CALIF., FRIDAY, APRIL 22, 1921.

NO. 16

COUNTY BOARD IN REGULAR SESSION

**PROTEST RECEIVED AGAINST THE
CONSTRUCTION NOW OF COUNTY
HOSPITAL; OBNOXIOUS DANCES
AT COLMA ARE DISCUSSED.**

Obnoxious dances being held in Colma and the securing in that town of an office of Constable S. A. Landini came in for consideration at Monday's meeting of the county supervisors in Redwood City. Supervisor Thomas L. Hickey brought up the matter of the dances, and suggested that a new ordinance regulating such affairs be drafted. This was laid over for two weeks, pending an investigation. Hickey's proposition that a Colma office be rented for Constable Landini received favorable action, the office to be in the Johnson building, the monthly rental, \$5.

That many of the county's shrewdest business believe the time is not yet ripe for the building of the proposed new county hospital, was shown by the reading of a communication from the South San Francisco Manufacturers' Association. The letter protested against the erection of the hospital at this time. It was ordered filed.

A telegram and letter were received from the Cherdron Construction Company of Salt Lake, asking for plans and specifications for the proposed hospital, which it desired to bid upon. Architect W. H. Toepke was instructed to supply the documents.

(Continued on page 7, col. 2.)

WOMAN'S CLUB GIVES EXCELLENT PROGRAM

**Entertainment Under Club Auspices
Scores Great Success.**

A most successful entertainment was that staged by the Woman's Club of South San Francisco last Thursday evening. The hall was crowded to its capacity and the big audience applauded the numbers on the program wholeheartedly. Over \$50 was cleared by the club for the benefit of its club house fund.

Every number on the program was worthy of special mention. The operetta put on by the children of the fifth and sixth grades of the grammar school under the direction of Misses Helen Carmody and Marie McAuliffe, and the musical accompaniments of Mrs. Helene Stanley and Frank McAuliffe, was most pleasing and showed earnest effort on the part of the young actors and their instructors. The skit, "Manners and Modes," given by members of the Woman's Club of Burlingame, was excellent, and the audience showed its enjoyment. The musical numbers by Mr. and Mrs. Arthur Clausen, Miss Alice Stearns and Jack Martin, J. G. Walker and L. G. Hardy each evoked prolonged applause and demands for encores.

Of the children in the operetta, though all took their parts well, perhaps special mention might be made of Jeanette Wishing as Golden Locks, and of John Lopez, Alton Pierce, and Jack Peck, the three bears. Each of these took the part assigned splendidly and seemed to enjoy it as much as the audience.

The program is given below:

Violin solo "Cavatina"
Mr. and Mrs. A. W. Clausen.
Operetta "The Three Bears"
Beck—John Lopez, Alton Pierce,
Jack Peck; Golden Locks, Jeanette
Wishing. Chorus (fairies)—Dorothy
Truax, Evelyn Eschelbach,
Rhoda Tibbets, Grace Eschelbach,
Josie Bollazzi, Ruth Chabrier.
Chorus—Norma Colombo, Mary
Wishing, Margherite Cavassa, Dorothy
Stireman, Anna Podesta, Mabel
Carter, Katherine McLeod, Fannie
Belloni, Rana Giffar, Louise Signor-
elli, Mary Jennings, Rose Ceirante,
Lillian Everett, Louisa Arici, Mar-
guerite Porta.
Solo, Lullaby, "Jocelyn"
Solo, Lullaby, "Jocelyn"
Duet, "Absent"
L. G. Hardy Jr. and J. G. Walker
Accompanied by Mr. and Mrs. Clausen
Encore, "Sunshine of Your Smile"
Solo by J. G. Walker.
Skit, "Manners and Modes"

BENEFIT BALL GETS PROMOTERS IN TROILS

**Affair Planned for Bellevue Tavern
Declared Fraud and Two Are
Called to Account.**

The preparations for an elaborate ball at Bellevue Tavern in San Bruno, alleged to be planned as a benefit for disabled war veterans, are at a standstill, and J. F. Goldner of San Bruno and J. L. Griffin of 735 Ellis street, San Francisco, are in the toils of the law on a charge of obtaining money by fraud. The warrant for Griffin's arrest was sworn to by Stewart Edward White, commander of San Mateo Post No. 1 of the American Legion. Griffin was lodged in the Burlingame jail Saturday and Sunday and then taken to Redwood City.

Solicitors asking contributions to the fund recently applied at Uncle Tom's Cabin, and were referred to Dr. F. H. Smith. Dr. Smith became suspicious and talked the matter over with Philip Lockwood, manager of the San Bruno bank and a Legion member. Lockwood took the matter up with Commander White. A committee was appointed to look into the matter. As a consequence of the committee's report, White laid the matter before District Attorney Swart. Swart sent for Griffin and Goldner. Goldner appeared with City Marshal Gaudette of San Bruno, but Griffin did not and a warrant was issued for his arrest. He was found in San Francisco with his effects packed ready to make a getaway.

Griffin declares that Goldner was the real promoter of the enterprise and that he (Griffin) merely acted as publicity agent. Some of the publicity issued carried a number of names of prominent people as sponsors and patrons of the affair, and some of these have since declared their names were used without authority.

Further investigations are now going on.

Later: It has been reported to The Enterprise that a number of South San Francisco firms have contributed to the fund for the dance, and that girls selling tickets and soliciting support for the ball are continuing to operate. District Attorney Swart has asked that any person approached by these solicitors should communicate with his office immediately.

FRATERNAL BROTHERHOOD ENJOY MUSICAL PROGRAM

The members of the local lodge of the Fraternal Brotherhood spent a very pleasant evening at a recent meeting. After the regular order of business had been disposed of, a musical and literary program was rendered and refreshments were served.

HON. JOHN RECEIVES NOTE FROM HON. JAP

The Japanese Club of Atherton has organized a band and wants the world to know it. In pursuance of this idea the following letter has been received by Supervisor John MacBain from the club:

Headquarters Selby Lane Tomato and Strawberry Club—Honorable John: We notice last summer season that Atherton street gentleman return from metropolis to sit on lid for summer have engage dep. sheriff to make mean look at all auto who might bump into Atherton Resident on Highway entrance.

Now Japanese do mean things nicely, should you please see all supervisors except third district (your own) and to get them to say allright for Selby Lane Tomato and Strawberry Club Band to give concerts all day Sunday on Highway Road and Selby Lane to make everybody happy so won't feel bad about unkindness one mile down Highway Road. Band consists, 2 pickillo, one Base drum.

Every member sent best Regard to every body. Yours trooly,
GEORGE E. KADO.

Sec.
Please ask Mr. Frank Swart if O. K. for Hill light wine and beer on hipp Saturday nights.

TWO NEW INDUSTRIES FOR SO. SAN FRANCISCO; CONSTRUCTION TO START WITHIN SIXTY DAYS

The presence in South San Francisco this week of several eastern construction engineers and numerous visits of auto parties with surveyors to the industrial section of this city caused well-defined rumors of something doing. Today Manager Martin of the land company admitted that quite a number of industries were negotiating for industrial locations, and that the land company had this week closed deals with two of them. He refused to divulge the names of either or the character of the industries. As soon as contracts for buildings are let and work started, full information will be given to the public.

Of these two industries, one has closed a deal for sixteen acres of land directly east of Wildberg's metal refining plant, covering all the land known as Oyster Point. The initial investment in plant will be about \$100,000; the initial employment, twenty-five men. This industry will be of exceptional value to South San Francisco, as all of its by-products

are much in demand by local industries.

The second industry has purchased twelve acres on the site formerly occupied by the Friesley hangar buildings. The initial employment will be at least 100 men. The first factory building will be 175x175 feet, two stories, factory construction, concrete and steel. Besides this, four large warehouse buildings and an office building will constitute the first unit of this factory. Other similar units will be added as business develops. The first unit will represent an investment of \$150,000. This is the first western plant to be located by this company. It is operating eight large plants in the eastern states.

In the midst of the present general industrial depression the locating of these two important eastern industries is a matter of significance. It bespeaks from a manufacturer's standpoint that the present depression is but temporary and indicates an early revival of industrial activity.

WHAT THE POLICE COURT JUDGE THINKS OF THE NEED FOR A HOUSECLEANING

If there is any one person more competent than another to judge of present conditions in South San Francisco, that person is Judge E. E. Cunningham. Judge Cunningham has lived in this city since it was first laid out. He has seen it grow from bare land to a thriving industrial center. In all that time he has been in business here, has been a property owner and taxpayer, besides serving as justice of the peace and as postmaster. At present he is holding the position of judge of the city recorder's court. Judge Cunningham has a reputation for honesty, integrity, and fearless support of all that makes for civic progress and advancement that any person might well envy. He can lay claim, beyond the possibility of question, to being one of the town's foremost citizens. He is, in truth, South San Francisco's "Grand Old Man." The Enterprise prints below a letter received from Judge Cunningham this week.

That the campaign The Enterprise has started has called out the support and co-operation of such citizens as Judge Cunningham as well as that of others whose letters have appeared on this page the last four weeks, is proof beyond possibility of doubt that this paper's campaign for a municipal housecleaning has the approval and support of the best element of the town's residents.

Editor Enterprise: Permit me to add my voice and vote to those sustaining you in your courageous campaign against the lawlessness and vice prevalent in this city.

How many gambling houses are there? Just as many as there are pool rooms, and then some. Yet gambling, which is unlawful and ruinous to the best interests of any community, goes on unrestricted and undisturbed.

How many bootlegging shops are there? Just as many as there are soft drink places, with three or maybe four exceptions, with several hotels and boarding houses to be added to the number.

Is it strange, then, that men and

boys, crazed by the deadly booze dispensed in these dens, debauched by playing and made desperate by losses in these gambling joints, should take to the game of robbery and burglary so common of late in South San Francisco?

It is time to call a halt and to clean house. Otherwise decent people will refuse to make their home here.

The soft drink ordinance was enacted solely for the purpose of bringing the drink business under local jurisdiction and control. If the local police officers cannot get the proof and enforce the law, the city fathers should find officers who can.

E. E. CUNNINGHAM.

SAN BRUNO WOMAN WIELDS STRAP ON SCHOOL TEACHER

Mrs. H. Henry is being given a hearing today before Judge Custer of San Bruno on a charge of assault and battery, sworn to by Principal Chas. B. McCuen of schools at San Bruno. The case grew out of Mrs. Henry's attacking Principal McCuen on the street at San Bruno, following the schoolman's punishing her son, Freddy, at school. It is alleged that Mrs. Henry wielded a piece of belting upon Mr. McCuen.

Mrs. Henry first appeared in Judge Custer's court on the charge last Friday and was then granted a continuance till today (Friday).

Later: Principal McCuen and Mrs. Henry met by appointment in the court of Judge W. J. Smith in South San Francisco Thursday, and agreed that their troubles should be allowed to drop without further court proceedings.

IN JUDGE SMITH'S COURT.

Last Saturday the case of J. D. Raudebaugh vs. L. A. Weber came up for a hearing. Raudebaugh is suing for \$200, alleged due on the sale of some property to Weber. The case was continued to Thursday of next week.

Thursday the case of W. W. Brawn vs. H. J. Davis of San Francisco was begun, but continued till Wednesday of next week. Brawn is suing for a repair bill on Davis's automobile.

"WHO'S WHO" PUBLISHER ARRESTED FOR LIBEL

William Maurer of San Bruno was arrested last Friday on a complaint sworn to by George A. Helmore, editor of the San Bruno Herald. Helmore charges criminal libel. For some time Maurer has been printing and circulating in San Bruno a small mimeographed sheet called Who's Who. It is alleged that in this paper he made attacks on the character of Editor Helmore and also upon several of the city trustees of San Bruno, these attacks being the outgrowth of the recent purchase of a water system by the city of San Bruno, which purchase Maurer opposed. Maurer was given a hearing last Friday by Judge Custer of San Bruno and held over to the superior court. Judge Buck of the superior court released the defendant on a writ of habeas corpus filed by Attorney O'Keefe of Redwood City. He will be given a hearing in the superior court.

DISTINGUISHED LEADER FOR GRACE CHURCH CHOIR

Rev. W. E. Hayes, canon-precentor of Grace Cathedral, San Francisco, was in South San Francisco Wednesday night to take up the work of training the choir of the local Episcopal church. Rev. Mr. Hayes is an authority on church music, and the local church is considered fortunate to have secured the services of a man of his experience in this work.

SOFT DRINK LICENSE APPLICATION REFUSED

**License for Hotel Normand Turned
Down by City Trustees at
Monday's Meeting.**

For the first time since the ordinance licensing soft drink stores in South San Francisco became operative, an application for such a license was refused at the meeting of the city trustees held Monday night. The application was signed by Guilio Lombardi and Bini Geladio, the place of business being given as the restaurant at the corner of Miller and Cypress avenues, the applicants being lessees of the hotel's restaurant. No reason for the refusal was given, but it is generally understood that such refusal was the result of suspected illicit selling of liquor at the location named.

Communications from State Senator M. B. Johnson and Assemblyman Frank Ekwad, relative to assembly bills 1285 and 227, were received. These were in answer to letters sent the legislators by the council of this city, asking that they oppose the bills named. The letter from Senator Johnson, dated April 8th, stated the bills had not yet reached the senate; the one from Assemblyman Ekwad, written April 16th, stated that both had been defeated in the lower house. Bill 1285 would have prohibited cities of the sixth class from levying taxes for city revenue. The other would have made the office of city marshal elective instead of appointive, as it is at present.

A letter from Mayor Frank Otis of Alameda asked that the council take action supporting senate constitutional amendment No. 13, the gist of which is "No incorporated city shall be annexed to or consolidated with any other municipality without the consent of a majority of the voters of such city at an election." This letter was ordered filed.

The city's new ordinance governing the installation of electrical wiring in this city and creating the office of electrical inspector was given its second reading and approved. It will be found in another column of today's Enterprise.

The city treasurer's report for the month of March was read and ordered filed.

Bills against the city were audited by the finance committee and ordered paid as approved.

FOOD SALE.

The monthly food sale of the Ladies' Aid of the M. E. church will be held Saturday, April 30th, at Carmody's grocery. Mrs. D. W. Duncan and Mrs. N. Jeffrich will be in charge.

SCION OF NOBLE HOUSE TREATED AT HOSPITAL

Dr. F. S. Dolley, head of the South San Francisco Hospital, had a distinguished patient last Sunday evening, one who can trace his family lineage back to the time of Cleveland's administration. The subject for the genial doctor's skill was brought in bleeding profusely from a severed artery, sustained while chasing a rabbit at San Bruno. It was a blue-blooded greyhound, valued at some \$5000. The animal had severed an artery in his leg against a barbed wire fence and only prompt medical aid could save its life.

It is said Dr. Dolley was taken somewhat aback when he saw the patient for whom he had been called, but relief of the suffering is the good physician's first instinct, and without a minute's hesitation he rolled up his sleeves and proceeded to business. The severed artery was quickly mended, and the animal's grateful owner carried off what will soon be a whole dog again.

EUCHRE CLUB MEMBERS MEETING AT PALO ALTO

The members of the Euchre Club are meeting today (Friday) with Mrs. E. N. Brown of Palo Alto. The women of the club expect to spend the day

FAMINE RELIEF WEEK DRAWS TO CLOSE

**CHURCHES THROUGHOUT THE
NORTHERN PART OF STATE
ASSIST IN RAISING FUNDS FOR
STARVING MILLIONS.**

This is "Community Week" throughout northern California. During the week, which ends Sunday, April 24th, more than one thousand churches have participated in bringing to the attention of more than a million northern Californians that need of immediate cash contributions to feed five million starving Chinese between now and June if the lives of these hunger-stricken victims of famine in five Chinese provinces are to be saved.

During the week pastors of virtually all the Protestant communions throughout the northern part of California have been asked to offer sermons on the urgent necessity of cash aid for Chinese hungry; to hold at least one midweek public meeting, and to collect and forward funds for the relief work to the Greater Northern California China Famine Relief committee, whose headquarters are in the Robert Dollar building, San Francisco. Banks throughout the northern part of the state have also been asked to receive funds for transmission to the committee headquarters.

Community Week is being sponsored by the California State Church Federation, and is in the hands of an active committee of pastors headed by Rev. Hugh W. Gilchrist of San Francisco. This special committee has sent out letters outlining the week's activities to principal congregations of northern California, and has asked that meetings be held in the churches.

Advices from the American Relief committee in charge of Chinese relief throughout the United States, state that contributions from America, Japan and China itself have saved the lives of at least ten million of the famine victims, but that five millions more of hungry men, women and children must be fed between now and June—if they are to be saved. It is estimated that one dollar will support a victim for one month.

HOLDUP STAGED AT GRAND CAFE

**Two Bandits Hold Waiters at Bay and
Take \$35 From Till.**

A holdup was staged at the Grand Cafe in this city last Thursday night at about 10:30 o'clock. Two men, unmasked, walked into the restaurant, covered the waiters with guns, and rifled the cash register of about \$35. The men seemed in a hurry and did not stop to go through the pockets of the attendants in charge. After securing their booty the two ran from the place and jumped into a car that had been standing outside with the engine running. In this machine were two more men. As the car started away, one of the waiters in the restaurant seized a revolver and fired after the fleeing bandits. The fire was returned, but apparently no damage was done by bullets from either side. The car quickly disappeared in the darkness and no trace of it or of the robbers has yet been found.

LOCAL ELECTRICIAN GETS BIG CONTRACT AT SAN DIEGO

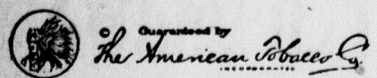

C. F. Schurk, well-known local electrician and contractor, has secured a big contract at San Diego and expects to leave for that city about the middle of June. The contract is with the Pacific Warehouse Company and will run into figures in the neighborhood of \$130,000. Mr. Schurk will remain in the southern city for several weeks and will be accompanied south by Mrs. Schurk and son, Toddy.

EDITORIAL

The classes of this high school need spirit. A class may have bright pupils and they may get all their lessons, but that class will be dead with the lack of spirit. It is the same with a school when it has no spirit, it is not classed very high with the other schools. To have courage and energy. A class without spirit may be likened with a school without athletics. It is necessary to furnish that incentive to excel the other classes in all kinds of contests. If each class works to have this kind of spirit it helps the school in its spirit and activities. It will also help the self-government which is going to be tried in this school. It helps raise the school to the high standard maintained by other schools. What we need is the spirit of courage as exhibited by our worthy class president when, in the face of defeat, he challenged the juniors to a debate.

OUR RESPONSIBILITY

Since the job of publishing the "Blue and White" has become too big a task for the editor-in-chief and his

staff, they have passed it to the youngest class in the school, the low freshmen, but since genius runs in the family, we are ready to show them that we can deliver the goods. Any time the staff of the "Blue and White" wish to be relieved of their task they may be assured of our willingness to come to their rescue.

BLAME THE CLASS.

"Yes, we admit the 'Sophs' gave us an awful razzing in the debate, and we give them credit for it, but we insist that it was not the fault of the debaters. They did their best. They worked like beavers, even going to the city library for material, but the class did not get behind and help. They did not scare up material, but sat by and were spectators. How can you expect to win if this is the attitude of the class? If the team had won the class would have received the honor, but now that they lost, why the class blames the debaters, not themselves.

ALPHEUS MCGOVERN.

SENIORS ENTERTAINED.

The seniors were delightfully entertained by Miss Hilda Elmers, a class member, at her home in Daly City, Wednesday evening, April 13th. After the delicious dinner was served, songs were sung and games were played until a late hour, when the party reluctantly broke up.

LOW FRESHMEN HOLD SPECIAL CLASS MEETING

On Friday Alpheus McGovern, the president, called the meeting to order at 12:35. The object of the meeting was to select a class flower and to organize a low freshman baseball team.

The pansy was selected as the class flower. George Wallace was elected captain of the low freshman team.

The team has been practicing during the noon hour and after school. There is some good material in the class that promises to uphold the low freshman standard in athletics. The meeting was adjourned at 1 o'clock.

SUFFERS INJURY.

Last Saturday Elmer Vaccari, a high school student, sprained his arm very badly when he was cranking his Ford.

BASEBALL GAME—SOUTH CITY VS. PALO ALTO

The baseball team of the local high school journeyed to Palo Alto Monday to play the first Palo Alto team. We did not think we would win, but we did not expect to be beaten by such a score. Due to bad umpiring and the good playing of Palo Alto, we lost by a 12 to 2 score. Palo Alto also has a second team, which is almost as good as the first team, in fielding especially, but it does not begin to compare with the first team in batting, the first team having the heaviest hitter in the league. This second team was sent in in the last inning to play South City. This team would just about suit South City in size and in playing, although South City could always outwit these players.

REDWOODS SCORE.

Redwood and South San Francisco crashed to a baseball game on Redwood's field, April 11th.

Until the end of the fourth inning the score stood one to nothing in the favor of South City. The sixth inning went bad for the Blue and White warriors and Redwood made the score 3 to 1. The runs were gained by errors.

South City went to bat in the ninth inning with the score 9 to 2, and slammed the Redwood pitcher for five runs, making the final score 9 to 7 in favor of Redwood.

Two South City freshmen were in the limelight, Ernest Bonalanza, a high freshman, who stole second twice, and John Butler, a low freshman, who made a reputation by slamming out three of the six hits for South City.

LOW FRESHIES LOSE DEBATE.

A debate took place Friday, April 15th, between the low freshies and sophs. The question of the day was, "Resolved, That the Federal Government should form boards with compulsory power to settle all labor disputes." The low freshies had the affirmative side of the question. Their speakers were Charles Signorelli, first speaker, who also delivered the rebuttal speech; Elizabeth Coffinberry second speaker, and Leland Burge, third speaker. The "Sophs" had the negative side of the question. Their speakers were Robert Keller, first speaker and also the rebuttal; Elmer Vaccari, second speaker; Thomas Doak, third speaker.

The negative won the debate, making them the "Champs" of the "S. S. F. H." in debating. They won one debate from the "Scrubs" and one from the "Hi Freshmen." The low freshmen won from the "Hi Freshmen" once also. So the standing of the three classes are: "Sophs," "Champs"; "Low Freshmen," second, and "Hi Freshmen" (who went about bragging how wonderful they were when they sold tickets), last of all.

We of the low freshmen class wish to thank Miss Edith Broner, a senior, for acting as chairman of the debate for us, and also our judges, Mr. Adams, Miss Read, and Mr. Holt.

HOCKEY TEAM LOSES GAME TO SAN MATEO

The South City high school hockey team played its first game Tuesday with a team from the San Mateo union high. San Mateo carried off the long end of the score, making two points, while the local team did not score. The South City lineup was as follows: Bernice Farrell, subcenter forward; Elizabeth Coffinberry, left inside; Genevieve Schmidt, left halfback; Myrtle Mullin, center halfback; Grace Robinson, right wing; Sarah May Doak, left wing; Georgette Quinlan, fullback; Lucille Strand, fullback; Ruth McMills, goalkeeper; subs, Beatrice Farrell, Mary Wallace, Anna Carl, and Evelyn Mayor.

SCHOOL TEAMS HAVE THEIR PICTURES TAKEN

All of the high school teams had their pictures taken Friday morning during the first period. Girls' basketball, volley-ball, hockey, and boys' basketball teams posed. These pictures will be put in the Iris.

Mary's Lamb.
Mary had a little lamb,
Her father killed it dead;
Now Mary takes the lamb to school,
Between two hunks of bread.

LOW FRESHMAN YELL.

(Repeated slow and quiet, then loud and fast.)

One, two, three, four,
Who for? What for?
South City, twenty-four,
That's who we're for.

SONG.

Blue and gold forever wave,
And strength and courage give,
To all the class that cherish them,
And may that spirit live.

Then shout and sing their praises wide,

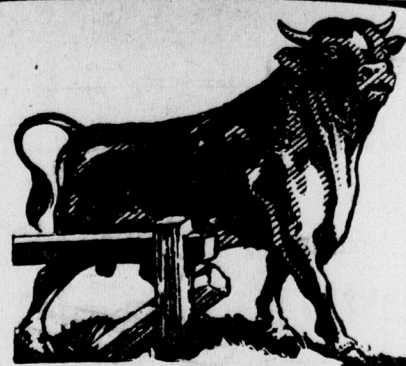

Till all, both young and old,
Know that the class of '24
Will die for Blue and Gold.

He's a Smart One.

Alpheus—Miss Clifford, which is right to say, Bill or William?

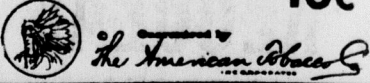

Miss Clifford—William, of course.

Alpheus—Could you say a hen picked up a worm with her William?

Some FACTS About

Ford
THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921, and how many have been sold to retail customers in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221

Total production 127,074 Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

PRACTICAL RECIPES

BAKED EGGS WITH CHEESE MAKE GOOD SUPPER DISH

The combination of eggs and cheese makes a hearty dish suitable for supper, dinner, or lunch. The following recipe is recommended by the experimental kitchen of the United States Department of Agriculture:

4 eggs.
1 cup, or 4 ounces, grated cheese.
1 cup of fine, soft stale bread crumbs.
¼ teaspoon salt.
A few grains of Cayenne pepper.

Break the eggs into a buttered baking dish or into ramekins and cook in a hot oven until they begin to turn white around the edge. Cover with the mixture of crumbs, cheese, and seasonings. Brown in a very hot oven. In preparing this dish it is essential that the oven be very hot or the egg will be too much cooked by the time the cheese is brown. To avoid this, some cooks cover the eggs with white sauce before adding crumbs.

The food value of the dish is very close to that of a pound of beef of average composition. For those who are particularly fond of cheese, the amount of cheese in this recipe may be very much increased, thus making a much more nourishing dish; or the amount may be reduced so as to give hardly more than a suggestion of the flavor of cheese.

THE EGG!—MANY KINDS CAN BE USED AS FOOD

Perhaps no article of diet of animal origin is more commonly eaten in all countries or served in a greater variety of ways than eggs. Hens' eggs are most common, although the eggs of domestic poultry other than hens are sometimes used. Guinea hens are

eaten where they are readily obtained and are much prized for their delicate flavor. Turkey eggs are mild in flavor and are eaten to some extent, though they are usually too valuable for hatching to be much used as food.

Ducks' eggs are stronger or more pronounced in flavor than hens' eggs, the feed apparently exercising considerable influence on the flavor, but they are much liked by many people and are now used more than formerly. Goose eggs are still stronger in flavor. Nevertheless, they have some use for table purposes, especially in regions where goose raising is common. In South Africa, where ostrich raising is an important industry, the eggs are used as food to some extent and are regarded as of excellent quality for cookery. Their food value is also recognized in regions of the United States where ostriches are raised.

Eggs of wild birds, once commonly used, are still eaten, but in a limited way. Plovers' eggs are prized by epicures and the eggs of certain kinds of sea birds have been used to some extent.

Other eggs besides those of birds are also eaten. Turtles' eggs are generally highly prized and very commonly eaten when they can be obtained. The eggs of the terrapin are served with the flesh in some of the dishes prepared from it. Fish eggs, especially those of sturgeon, are eaten in large quantities, after being preserved with salt, under the name of caviar. Shad roe is another illustration of the use of fish eggs.

LIGHT AND AIR ESSENTIAL FEATURES OF GOOD KITCHEN

A conveniently arranged and equipped kitchen means lighter work and shorter hours for the housekeeper and her helpers, say household spe-

cialists of the United States Department of Agriculture, who give the following hints in Farmers' Bulletin 607, The Farm Kitchen as a Workshop:

Plenty of light and good air are essential to good results in the kitchen and to the comfort of those working there.

Running water and a drain for carrying off waste save the housekeeper many steps and many hours.

Pantry, dining room, and store rooms should be convenient to the kitchen and so far as possible on the same floor level.

Floor, walls, ceiling, and woodwork should be made as easy to clean as possible by oiling, painting, or covering with suitable washable material. Unfinished wood floors, moldings, and table tops are poor economy; they are hard to clean and soon show stains and signs of wear.

Durable, convenient equipment is most economical and should be so placed that there is the least possible strain on the worker's muscles as she performs her tasks. Many of the tired backs are the result of improperly placed kitchen equipment.

The fun will start when somebody undertakes to reform the women.—Columbia (S. C.) Record.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

SAN BRUNO LOCALS

H. Grady injured his arm while cranking his Ford last week.

Mr. and Mrs. A. Clark visited with Mr. and Mrs. G. Clark last Sunday.

L. Richards of Lomita Park burned his foot very seriously while at work.

Miss Edna Brownell has recovered from a severe cold and is able to return to school.

O. Frei and son, Otto, former residents in San Bruno, were visitors here last Monday.

Mrs. Gordon and Mrs. Rutherfordale of Huntington Park visited in Burlingame last Sunday.

The three children of Mr. and Mrs. McFarland are recovering from whooping cough.

Master Johnny Creshak is suffering from a broken arm, received from being kicked by a horse.

Mr. and Mrs. James and family, who formerly resided in Belle Air Park, have moved to San Francisco.

Mrs. Sweeney of San Francisco visited with Mr. and Mrs. A. T. Coturri of San Bruno proper last Sunday.

Mrs. M. Vieira and son, Manuel, visited with Mr. and Mrs. S. Della Maggiora and family last Sunday.

Mr. and Mrs. K. Zimmerling and little son, Albert, visited with Mr. and Mrs. Cochrane and family of Belle Air Park last Sunday.

James Forster, who has been in the hospital for the past month, has returned to his home in Lomita Park, where he is convalescing.

Seventeen boys and girls of the Y. L. J. and Y. M. I. hiked to Rattlesnake Camp last Sunday. All reported having had an excellent time.

Edward Setward of Belle Air Park has returned from a brief visit to Los Angeles. Upon his return, he stated that he preferred San Bruno and the neighboring territory to that of the southern metropolis.

William Hoops' mother, Mrs. Hoops, has just returned from a protracted visit with relatives in Norway. Mrs. Hoops has been away from San Bruno for nearly a year. Her many friends are glad to have her with them again after so long an absence.

LADIES' AID PLANS LUNCH.

The Ladies' Aid of the Community Church is planning a public lunch for next Wednesday afternoon at the church parlors. Mrs. J. Richmond of Berkeley, who recently returned from the Orient, will give an address on conditions there.

MERCHANTS COME BACK WITH A VIM SUNDAY

Last Sunday the Merchants' ball team journeyed to San Mateo and handed the team there a trouncing that will long be remembered. The score was 43 to 1 in favor of the locals. The week previous San Bruno was defeated by a score of 16 to 1, so the local boys feel very jubilant over their victory. Hunter, pitching for the Merchants, allowed the San Mateans only two hits and one run, while his teammates gathered thirty-three hits and forty-three runs. C. Wayman was the stick artist of the day, gathering in three home runs.

Sunday the locals hope to play their first game on the Belle Air field, which is now being rapidly put in condition for playing.

On Saturday evening, April 23d, the boys are giving a big dance at California Hall. The proceeds will be used to purchase additional equipment needed. They are looking forward to one of the largest crowds that has ever attended a dance here.

TRUSTEES REJECT

ALL PAVING BIDS

Estimates Submitted Considered Too High; Board to Inspect New Office Equipment.

The board of trustees met Wednesday evening at the city hall in an adjourned session of the last regular meeting to discuss bids received for the proposed street improvements. After considerable discussion on the subject, Trustee J. T. O'Connor moved, and Trustee Patrick Kane seconded the motion, that a resolution be passed rejecting all bids received. The motion and resolution passed unanimously. In the opinion of the board the bids were far too high to permit the project to be put in at the present time.

Several claims presented were ordered paid.

Regarding the length of time the auditors are taking to examine the books, a motion was passed ordering City Clerk Willitts to write to Mr. Atkinson, the auditor in charge, informing him of the amount set aside for this purpose and to govern himself accordingly as to the time required to complete the audit.

City Clerk Nettie Willitts again brought up the matter of further equipment for the city hall office, as requested at the last meeting. After a prolonged discussion on the matter the board decided to lay the matter over until the next regular meeting, which will be held next Wednesday evening. At this time the firm selling this particular equipment will have a representative here to demonstrate the practicability of the equipment in question.

COLMA

BOADICEA CIRCLE NO. 3 WINS DRUIDS' PRIZE

Presentation of a handsome silken banner, the first prize won in a recent ritualistic contest, was made to Boadicea Circle No. 3, Women's Companion Order of Druids, the presentation being made by Grand Arch Druidess Mary T. Becker, also a member of Boadicea Circle. It was also the occasion of the forty-seventh anniversary of the circle. A class initiation of forty-seven also took place, the evening closing with a banquet. Presentation of a number of tokens was made the grand arch druidess. A number of officers of the grand circle and grand grove, the men's organization, were guests. Delegations were also present from Oakland, Centerville, San Jose, Los Gatos, Hollister, Salinas, Gilroy, and Colma. Those present from Cypress Circle No. 14, U. A. O. D., were: Mr. and Mrs. Carl Swartz, Mrs. Emma Woolsey, Mrs. L. Volkman, and Mrs. Leon Fellman Jr.

O'CONNOR-GILBERT WEDDING.

Charles S. O'Connor and Miss Eileen E. Gilbert were married at the Church of St. Philip the Apostle, Wednesday, April 6th. The ceremony was performed by the Rev. John J. Cullen, assisted by the Rev. M. Concannon of Colma, in the presence of several hundred relatives and friends. The bride was attended by her sister, Miss Grace S. Gilbert, and her cousin, Miss Mildred Sophey of Sacramento. Frank McCormack was best man. A reception and dinner followed immediately after the ceremony at the St. Germain, to relatives and near friends. The bride is the eldest daughter of Mr. and Mrs. R. J. Gilbert of Twenty-fourth street. After a short honeymoon the bridal couple will make their home in Noe Valley.

COLMA LOCALS

B. S. Greene is the possessor of a Kissel Kar, purchased recently.

Mrs. Antonia Imsand of San Francisco visited friends here during the week.

Mrs. Guerino Ricci entertained friends Saturday afternoon at her home on Clara street.

Miss Louise Perata, who has been very ill for two weeks or more, is well and attending school again.

Gustave Jelinski, who has been confined to his home for the past four weeks, is able to be around again.

Little Rose Olcese, daughter of Mr. and Mrs. Angelo Olcese, who has been very ill, is reported improving nicely.

Mr. and Mrs. G. Ricci are the happy possessors of a Saxon automobile, which they purchased a few days ago.

Mr. and Mrs. Ed Bergman and little daughter, Elenor, of San Francisco visited the Haubrich family during the latter part of the week.

Joseph Belli, who was operated on at St. Luke's Hospital for appendicitis, is doing very nicely and hopes to return to his home soon.

The condition of L. Benedetti, who was stricken with paralysis, is not as serious as it was first thought. Mr. Benedetti is slowly recovering.

Rudolph Witt of Halfmoon Bay, formerly of Colma, very well known throughout this region, was visiting with relatives and friends Sunday.

Miss Anna Schindler resumed her duties with the Pacific Telephone and Telegraph Company Monday last, after a most enjoyable vacation of two weeks.

Mrs. Andrew Cherighino left for Nevada during the early part of the week, where she intends staying a few months visiting relatives and friends.

The many friends of Philip Deller Sr. will be glad to know that he is about again, after being confined to his home for many days through an injury to his left leg.

James O'Brien was a visitor at the Fellman home on Washington and Anne streets Saturday last, leaving on the steamship Waihemo Saturday evening for Sydney, Australia.

Miss Lillian Cortage, youngest daughter of Mr. and Mrs. E. Cortage of San Francisco, formerly of Colma, was a pleasant visitor at the home of Mr. and Mrs. E. Jones during the week.

formed by the Rev. John J. Cullen, assisted by the Rev. M. Concannon of Colma, in the presence of several hundred relatives and friends. The bride was attended by her sister, Miss Grace S. Gilbert, and her cousin, Miss Mildred Sophey of Sacramento. Frank McCormack was best man. A reception and dinner followed immediately after the ceremony at the St. Germain, to relatives and near friends. The bride is the eldest daughter of Mr. and Mrs. R. J. Gilbert of Twenty-fourth street. After a short honeymoon the bridal couple will make their home in Noe Valley.

FAREWELL DINNER GIVEN MISS COLLINS

A farewell dinner was given in the Jefferson school lunch room Friday, April 15th, in honor of Miss Aline Collins, who is to be married in the early part of May to Marcus Meherin. The table was beautifully decorated with violets and red roses. The sumptuous Italian dinner was prepared by the teachers. Miss Collins voiced her regrets at leaving the Jefferson school, of which she has been a teacher for several years. Principal W. J. Savage acted as toastmaster and extended Miss Collins congratulations in behalf of the teachers. Those participating were: Miss Elsie Rippe, Miss Aline Collins, Miss Agnes Gallagher, Miss Madonna, Miss Elizabeth Killilea, Miss Helen Gilcrest, Miss Annie O'Ber, and Principal W. J. Savage.

MISS RIPPE ENTERTAINS.

On Wednesday afternoon, April 6th, a lovely luncheon was tendered in honor of Miss Aline Collins at Miss Rippe's home, 2603 Bryant street. The table was artistically decorated with red roses and maidenhair ferns. After the luncheon Miss Collins was presented with a beautiful Madera luncheon set by the teachers. The afternoon was pleasantly spent by the following: Miss Aline Collins, Miss Elizabeth Killilea, Miss Agnes Gallagher, Miss Madonna, Miss Helen Gilcrest, Miss Annie O'Ber, Miss Elsie Rippe, and Mrs. William Hunt.

Floors—Refinish Yours Yourself

with paint or varnish. We tell how

IT'S a simple matter, if you cannot get a painter, to refinish any floor—fun, in fact, to do the work yourself.

We make the finest finishes. They dry over night, so you can walk on them in the morning.

They are made for laymen's use as well as painter's—they flow and spread easily and cover well. The result is a smooth and lustrous finish—just the one you want to get, although you—an amateur—do the work.

Women can apply these products as well as men.

Fuller makes a famous floor paint—Rubber Cement Floor Paint and two famous var-

ishes called "Fifteen-for-Floors" and "Fullerwear."

They are Fuller's Specifications for home floors—each for a particular effect.

We make also a special line of paints, varnishes, enamels, etc., for all kinds of interior decorating. And we maintain a Free Advice Department that will tell you in detail how to use them. You simply describe the article, how finished now, and the effect you want to get.

We've specified these materials and methods for you after 72 years' experience with paints and painting practice.

We are one of the largest paint manufacturers in the United States.

Don't think you can't do work like this simply because you haven't ever done it. Follow Fuller Specifications and you'll get the right effect.

Where to Buy

Important that you get the right material so be sure to go to the right store for Fuller Products. Cut out the coupon below as a memo to direct you.

SOUTH SAN FRANCISCO**ORDINANCE NO. 110.**

Ordinance Creating the Office of the Electrical Inspector, Providing for the Registration of Persons, Firms and Corporations Engaged in the Business of Installing or Operating Electrical Apparatus and Equipment; Providing for the Granting of Permits for Electrical Work.

The Board of Trustees of the City of South San Francisco do ordain as follows:

Section 1. The office of electrical inspector is hereby created.

Section 2. Every person, firm or corporation engaged in conducting the business of placing, installing or operating electrical wires, appliances, apparatus or construction in, on or about any buildings, in the City of South San Francisco shall appear in person, or by a duly authorized representative, at the office of the City Clerk, and shall there register his name and place of business. The City Clerk shall issue to each applicant a certificate of registration. No certificate of registration shall be granted for more than one year or the unexpired portion thereof.

Section 3. It shall be unlawful for any person, firm or corporation to engage in the business of placing, installing or operating electrical wires, appliances, apparatus or construction in, on or about buildings in the City of South San Francisco without first obtaining a certificate of registration from the City Clerk, and said certificate shall be renewed as provided in Section 1 of this ordinance, within thirty (30) days after the first day of July of each year.

Section 4. The placing or installing of electrical wires, appliances, apparatus or construction in, on or about buildings in said City of South San Francisco shall be executed in accordance with the provisions of this ordinance and under the supervision of the electrical inspector.

Section 5. Every person, firm or corporation engaged in the business of placing, installing or operating electrical wires, appliances, apparatus or construction in, on or about buildings in said City of South San Francisco shall, before registration, give to said City a bond in the sum of Five Hundred Dollars (\$500.00), with good and sufficient sureties for such compliance with the provisions of this ordinance. Said bond shall be filed with said City Clerk.

Section 6. The failure, neglect or refusal on the part of any person, firm or corporation, after due notification by the electrical inspector, to correct, oblige or remove any fault, error or deficiency in placing, installing or operating electrical wires, appliances, apparatus or construction in, on or about buildings in said City of South San Francisco, shall be deemed sufficient cause for suspension of such certificate of registration by the electrical inspector. The electrical inspector is hereby authorized to suspend such certificate for a period not exceeding thirty (30) days.

Section 7. No person, firm or corporation shall supply electric current to, or use any alterations of or changes in, or addition to, any electrical wiring, or apparatus in any building without first notifying the electrical inspector in writing and receiving from him a permit to do the work. Such permit shall state the kind of work to be done, and shall cover only the kind of work so designated. Such permit shall also state the location by street and number of the building where such work is to be done, and shall be valid only for the location so stated. And when an equipment is found to conform to the rules and regulations adopted by the electrical inspector, the electrical inspector shall issue a certificate that such rules and regulations have been complied with, and no certificate shall be granted until the equipment is made to conform to the rules prescribed herein, and it shall be unlawful to use any current for such building until a certificate has been issued according to the terms of this ordinance.

Section 8. All electrical wiring, appliances, apparatus, fixtures, construction and all materials and devices used in the operation of electrical apparatus in, on or about buildings in the City of South San Francisco shall be in conformity with the "National Electrical Code," the same being the regulations of the National Board of Fire Underwriters Association, Edition 1913, a copy of which is on file in the office of the City Clerk of said City and marked "Filed in the office of the City Clerk of the City of South San Francisco, December 6, 1920, Daniel McSwiney, City Clerk," which said "National Electrical Code" shall constitute the standard and regulation for the installation of electrical wiring, appliances, apparatus, fixtures and construction in connection with electrical work in, on or about buildings in the City of South San Francisco.

Section 9. It shall be the duty of the electrical inspector to inspect all electrical equipment from time to time, and in or about any electrical equipment in, on or about buildings in the City of South San Francisco shall be found to be dangerous to life or property, the electrical inspector shall have the right

and power, and it shall be his duty to notify the owner of the building or equipment to cease using electric current in such dangerous equipment, and to have the defects in such equipment repaired, within a reasonable time, not exceeding ten (10) days from the time of the notice. The electrical inspector is also authorized to give written notice to the company furnishing electric current to any such dangerous equipment to cease to supply the same until the defects are repaired. In prosecution for violation of the provisions of this section each day's neglect or refusal to comply herewith shall be deemed a separate offense.

Section 10. Nothing in this ordinance shall be so construed as in any way to restrict the installation of any wires, appliances, construction or equipment on any telephone, telegraph, district messenger or call bell systems or the connecting or disconnecting of any current measuring devices, and the same are hereby excepted from any of the foregoing provisions, excepting that approved cut-outs or fuses must be provided where such wires enter or leave buildings and where such wires are exposed to electric hazards between the way of entrance to a building and the terminal of an aerial cable.

Section 11. When an application for a permit for wiring in, on or about any building is made, the person, firm or corporation desiring to install such equipment shall, before the permit is given, pay to the electrical inspector the following fees:

The sum of One Dollar (\$1.00) and in addition thereto a fee of Ten Cents (10c) for each outlet at which current is to be controlled or issued; For inspection of electrical apparatus for which no fee is herein prescribed, a fee of Fifty Cents (50c) per kilowatt, as determined by the capacity of the appliance, apparatus, equipment or device installed.

Section 12. In cases where a building permit is necessary, the electrical permit shall not be issued until after the building permit has been issued.

Section 13. All plumbing and other piping and tube work must be in place on work to be concealed before the electrical wiring is inspected, and no such wiring will be considered as completed until such piping is in place. Upon making an inspection of any electrical equipment, the electrical inspector shall leave a notice at a conspicuous place on the building stating that the electrical work has been inspected by him and that a certificate of final inspection may be obtained from him. It shall be unlawful to lath, seal, or in any manner conceal any electrical wiring or other work until the same has been inspected as herein required.

Section 14. This ordinance shall not be construed to relieve from or lessen the responsibility of any person, firm or corporation or agent thereof, on operating or installing any electrical wires, appliances, apparatus, fixtures, construction or equipment, for damages to any one injured by any defect therein, nor shall the City of South San Francisco or any agents thereof be held as assuming any liability by reason of the inspection authorized herein or the certificate of final inspection issued by the electrical inspector.

Section 15. Any person, firm or corporation, or agent thereof, violating or assisting in the violation of any provision of this ordinance or who shall fail to comply therewith shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding Two Hundred Dollars (\$200.00), or by imprisonment for a period not exceeding Sixty (60) days, or by both such fine and imprisonment.

Section 16. All parts of ordinances in conflict with this ordinance are hereby repealed.

Section 17. This ordinance shall be published once in "The Enterprise," a weekly newspaper published and circulated in said City of South San Francisco, and shall take effect and be in force from and after the expiration of thirty (30) days after the date of its passage.

Introduced this 4th day of April, 1921. Passed and adopted as an ordinance of the City of South San Francisco at a regular meeting of the Board of Trustees of the City of South San Francisco this 18th day of April, 1921, by the following vote:

Ayes, Trustees F. A. Cunningham, A. J. Eschelbach, L. G. Hardy Jr., H. Scamplini, G. W. Holston.
Noes, Trustees none.
Approved: G. W. HOLSTON,
President of the Board of Trustees of the City of South San Francisco.Attest: [Seal] DANIEL McSWINEY, City Clerk.
4-22-11**COUNTY BOARD SESSION.**

(Continued from page 1.)

asked for.

Attorney Lee T. Ross appeared in behalf of a number of residents of Menlo and filed a protest signed by twenty-four property owners against the establishment in that city of a home for convalescents and aged persons. An application for a permit to open such a home was recently made by a Mrs. Brinscoe. Mrs. Brinscoe was

present, and told the board that such a home as she wished to open would not be a detriment to the town. After a lengthy discussion Mrs. Brinscoe withdrew her application for the present.

L. H. Lukens addressed the board on the subject of the establishment of an Adventist school on a 1000-acre tract near Alpine road, and asked the board to put the road in better condition. Lukens was informed that no

money was at present available for this purpose.

J. N. Hatch of San Mateo addressed the board regarding the rejection by the officials of a claim for the rental of a building in San Mateo. This was laid over to allow of an investigation.

County Surveyor George Kneese was instructed to prepare plans and specifications for the resurfacing and oiling of the road from Pescadero south to the county line.

A claim for \$36, sent in by W. Kanoff of Montara for alleged damage done his property by drainage from the county road, was rejected.

County Treasurer P. P. Chamberlain was granted a two weeks' leave of absence, beginning April 19th.

Reports were received from the Social Service Commission for February and from the county treasurer up to April 11th.

J. Donohue was appointed gardener of the courthouse grounds in place of

William Sharon, resigned.

The next meeting of the board will be held May 2d.
